A LEGACY IN BAG FACTORY & MANUFACTURING.

NNT is a reliable bag manufacturer with a 40-year industry legacy, officially founded in 2022.

At NNT, we manufacture a wide range of bags—**Backpacks, Travel bags, Office bags, Laptop bags, Duffel bags, Sling bags, Messenger bags, Pouches**, and virtually any type of custom-made bag.

For corporate clients, supplier businesses, retailers, educational institutions, NGOs, and charities, we specialize in high-quality bulk customization to meet any requirement, no matter the design or quantity.

The company has proudly manufactured bags for national and international clients, including MetLife, BD Calling, Rimlo, Excel, Union, UKAID, Realme, Stamford University, and many other respected organizations.

THE STORY OF NNT BEGINS LONG BEFORE THE BRAND WAS BORN.

Our journey traces back to 1986, when our father laid the foundation of a small, yet visionary business named “**New National Travel.**”

What began as an importer of bag-making materials gradually expanded into a business that not only supplies premium materials but also manufactures high-quality bags.

As the new generation, we felt responsibility—not just to continue this legacy, but to elevate it. With this vision, NNT was born in mid-2022. Created to meet the demands of the modern global bag market, NNT represents innovation, durability, and thoughtful craftsmanship.

At NNT, we offer end-to-end bag manufacturing solutions, from custom designs to bulk production.

We specialize in high-quality bulk customization to meet any requirement, no matter the design or quantity.
